

# Born Leaders

## You are Invited!

- 0 Puget Sound ESD with our district and agency partners would like to invite you to participate in a regional network of parent leaders who make a difference - we are calling them **BORN LEADERS!**

**BORN LEADERS** is an opportunity to bring together key parents from neighborhoods throughout the region to meet, talk and learn about issues that are important to you.

**We want to broaden your knowledge** beyond the site, school or program you are now a part of and invite you to help other parents to learn more about resources, skills, information and networks in our region.

### **Questions we may begin with are:**

- How can I make sure my children succeed in school?
- What other resources and opportunities exist for myself, my family and other families in my area?
- How can I develop myself to take the next step forward for me?
- How can I continue to have an impact when my children move to Kindergarten, Junior High or High School?
- How can I help other parents?

If this sounds like something you would be interested in exploring please consider joining us.

### **Location & Time**

All meetings will be held at Puget Sound ESD, 800 Oakesdale Ave SW, Renton, WA 98057 in the conference center from 10:00 am to 2:00 pm.

### **Dates**
