

## BSD online payment system

The Bellevue School District offers an online payment system to make it easier to pay and track all payments to the district for the families. This system allows you to pay fees and fines for your child throughout the time he/she is attending any school in the district; elementary, middle or high school. Examples of payments that you can make through this online system include, but not limited to, are class fees, PE clothes, field trips, fines for lost items, ASB membership, yearbook etc.
