Interlake High School Purpose & Mission Statement

School Purpose & Mission Statement

Interlake High School operates under the Bellevue School District Mission:

To provide all students with an exemplary college preparatory education so they can succeed in college, career and life.

In 2005, Interlake adopted the core values of Integrity, Humanity and Scholarship. The core values were revisited and revised by Interlake Staff and parents in the spring of 2013. These core values, which incorporate elements of the IB Learner Profile serve as guiding principles for the Interlake community

Integrity

All members of the Interlake community are principled; we operate in an environment that supports truth, respect, and honor. Members of the Interlake community take ownership of their work and for their actions, even when it is inconvenient to do so.

Humanity

All members of the Interlake community treat others as they would like to be treated. Students and staff inspire each other through selfless actions, empathy, compassion, and kindness. Students and staff remain focused on developing into caring, balanced, and open-minded global citizens.

Scholarship

All members of the Interlake community believe that scholarship is an internal desire to know more developed through collaborative and independent learning. Interlake students show perseverance when challenged with rigorous coursework appropriate to their unique abilities. All Interlake programs empower students to be life-long learners.

OPEN ENROLLMENT PERIOD for Bellevue School District RESIDENTS begins December 10, 2018 and
Closes on Friday, January 18, 2019

LATE APPLICATIONS WILL NOT BE CONSIDERED FOR OPEN ENROLLMENT

<http://www.bsd405.org/departments/student-placement/open-enrollment/>

INTER-DISTRICT TRANSFER

All anticipated needs of Bellevue School District resident students must first be met prior to considering inter-district transfer applications. It is unlikely that Interlake will have the capacity to accept any inter-district transfers and will not be keeping a 'lottery list'. For more information on the inter-district transfer process, see the BSD website

<http://www.bsd405.org/departments/student-placement/inter-district-transfer/>
